Learn Your ABC's If You Plan On Having Accident

Now comes the time for the ABC's.

The ABC's in this instance, according to the California Highway Patrol, represent Accident Behavior Checks.

"October and December are the most dangerous traffic accident months of the year. This, then, is the logical time for all motorists to check their accident behavior rules," B. R. Caldwell, Patrol Commissioner, stated recently.

"We don't want anyone to have an accident but it is most important that they know what to do if they are involved," he commented. "All too often collisions fall into the category of hit-and-run and many of these are due to lack of understanding of the law rather than a deliberate act."

"Any motorist involved in a collision resulting in death, personal injury or property damage of any kind, must stop and give his name, address, license number and the name of the owner of the car to the other drivers involved. Upon request he must exhibit his operator's or chauffeur's license and in the event of injury must also render reasonable aid and inform enforcement officers," Caldwell reminded.

"Any injury accident must be reported in writing within 24 hours to the local police if the accident occurs within a city, or to the California Highway Patrol if it happens on a rural highway."

"Failure to stop and meet these requirements can result in imprisonment up to five years or a fine up to \$5,000.00 or both for any death or injury collision, or imprisonment up to six months or fine up to \$500.00 or both, for any accident with property damage only," Caldwell emphasized.

"All drivers must remember that the above requirements are in addition to the provisions of the Financial Responsibility Law which make it necessary to report to the Department of Motor Vehicles accident resulting in death or injury, or any accident with property damage in excess of \$100.00. This report must be made within fifteen days," he said.

Notes on Narbonne

Gauchos Bees, Varsity In League Openers

By ADRIENNE SIDWELL
The biggest event this week is the Identification pictures which came out Tuesday. Boy! Are they sharp!

Oh Man! Ever since last Friday, everything but the school buildings are red! The mighty Senior Bees received their first senior sweaters. They are fire engine red with the class name, Jesters, on the emblem. Everyone really likes the new sweaters. (Those lucky guys and gals.)

Yesterday afternoon, Narbonne G. A. A. traveled to Eagle Rock to be the guests at their Western Avenue Baptist Church play. The theme of the play, "Enchanted Forest," was podrome in Long Beach last Fri-

day evening. The kids, who reported that they really had fun, are: Gary Poulson, Anett and Marlie Grafe, Dickie Westfall, Laura Tolbert, Allan Young, Ronnie Merriam, Sharon Fisher, Evelyn Sampson, Tom Colby, Marilyn Braunman, Doloris Cloninger, Geraldine Boring, Jeraldine Wagers, Gall Gowdey, Jack Webb, Ray Rudeen, Jack Hanna, Pat Mitchell, Diane Jensen, Warren Thomas, Bobby Webb, Dale Howard, Joan Birchler, Sidney Martin, Brenda Rollins, Janice Phipps, Kathleen DeHeart, and Bob Norton.

The Girls League Talent show last Thursday was a big success. Many reported that all the acts and skits were excellent. Everyone got a kick out of the faculty skit. Hats off to Flora Hammetman, Girls League president, and all those who helped to make the show such a wonderful success.

A group of kids from the Rock to be the guests at their Western Avenue Baptist Church went roller skating at the Friday, "Enchanted Forest," was podrome in Long Beach last Fri-

day evening. The kids, who reported that they really had fun, are: Gary Poulson, Anett and Marlie Grafe, Dickie Westfall, Laura Tolbert, Allan Young, Ronnie Merriam, Sharon Fisher, Evelyn Sampson, Tom Colby, Marilyn Braunman, Doloris Cloninger, Geraldine Boring, Jeraldine Wagers, Gall Gowdey, Jack Webb, Ray Rudeen, Jack Hanna, Pat Mitchell, Diane Jensen, Warren Thomas, Bobby Webb, Dale Howard, Joan Birchler, Sidney Martin, Brenda Rollins, Janice Phipps, Kathleen DeHeart, and Bob Norton.

That peculiar odor that came out of the foods room last Friday you can stop worrying. It was the Home Economics Club making and frying tortillas. At noon the girls made a feast of them. P.S.—The girls said that they were good.

Today the Narbonne Bees play host to San Pedro in the first Marine League football game of the season. The Gauchos lightweights need our support. Let's give it to them by attending the game.

Hey Gauchos! Don't forget tomorrow's night football game at San Pedro. It will be our first Marine League tilt of the '53 campaign. Game starts at 8 p.m. Come and help cheer our boys to victory. The drill team cheerleaders, and band will be present. Also, let us not forget our sportsmanship. We were close to winning the Sportsman ship trophy last year, let's win it this time!

Girls: There will be another Girls League noon assembly program at noon today. Plan to attend.

Gauchos, this is the last week of the P.T.A. membership drive. If you haven't already told your folks about the wonderful benefits of the P.T.A., don't fail to do so tonight.

On November 2, an award assembly will be given to those who brought membership. The movie chosen by the student body last week is "Frogmen." A \$3 prize will be given to the boy or girl bringing in the most members!

The National Junior Honor Society held its party yesterday during sixth period. Refreshments were served in the cafeteria. Afterwards games were played in the girls gym.

Today various classes will walk to the new Davenport exchange in Lomita to see the new dial telephone equipment. The building will be open to the general public today and tomorrow from 1 p.m. to 9 p.m. Everyone is cordially invited to visit. The visit will prove to be interesting.
